

Let's be **ECO**-nomical

Order Original HP supplies from Wordflow and get more than a good deal. Get free gifts that are good for the planet.

At Wordflow, we wanted a better deal for Mother Nature, as well as for our customers. We're now certified carbon neutral. To welcome you back on board we're also giving away fantastic eco-gifts!

Order your Original HP Supplies from Wordflow before 30 July 2008, and receive a free eco-bag*! It's the perfect alternative to a plastic bag.

Order over £150 of Original HP Supplies and you'll also receive the innovative **ecobutton™***. The new computer power-saving device helps cut your power bill. See www.eco-button.com

See www.wordflow.co.uk
or call 020 7377 1182 today.

Wordflow

Win a PlayStation Portable with Wordflow and Original HP Supplies!

OK, we might not be able to guarantee you the sun this summer, but we're giving you a sporting chance to win a whole lot of fun indoors, outdoors ... in fact, just put it in your pocket!

That's because you could win one of three fabulously fun PlayStation Portables (PSPs) with your next order for Original HP Supplies from Wordflow.

Offer Period

Start: 13th May

End: 16th May

Call: 020 7377 1182

But enough of games for a minute. When it comes to guaranteed service and results, don't take chances. Trust Wordflow and Original HP Supplies.

Superior service from Wordflow.

Our philosophy? Caring for the customer, and the environment.

- **Same-day delivery** – fast, flexible service from a leading independent UK supplier of office products.
- **Dedicated sales team** – our sales and technical staff offer a superior level of service, backed by our HP Certified Supplies Partner.
- **Carbon neutral** – we work with the CarbonNeutral Company to reduce our carbon footprint, and that of our customers.

Superior results from HP.

The secret of the perfect print? Precise. Reliable. Original HP Supplies.

- **Greater value for money** – superb print quality, print, after print, after ...
- **Kinder to the environment** – HP cartridges are recycled, not sent to landfill.
- **More reliable** – HP paper and HP ink and toner are designed to work together.
