

Don't let paperwork be the pest

Brother mobile print solutions: Print and organise wherever you are, so nothing gets away.

If paperwork's slowing you down, there's a single, compact solution

Brother mobile printers have connectivity, simplicity and efficiency built into their highly portable design. As part of an integrated system, they help ensure that admin is easy to manage. No extra trips back to the office to print documents. No fuss with handwritten notes. No wasted time.

Put a print pro in your hand

Print anywhere: with your PDA or smart phone running Azura AZ1 pest management software, wirelessly attached to a Brother mobile printer.

Boost service levels

- Free up man hours
- Reduce travel time and costs
- Easily manage reporting and appointments
